

# Press Release for Office of Language Acquisition (OLA) Site Visit

During the week of April 26, 2021, the Department of Elementary and Secondary Education's (DESE's) Office of Language Acquisition will conduct a Tiered Focused Monitoring Review of The Blue Hills Regional Technical School. The Office of Language Acquisition reviews each district's and charter school's ELE program every six years to monitor compliance with federal and state English learner education laws and regulations. Areas of review will include English learners' student assessments, identification of English learners; what programs English learners are placed in, parent and community involvement, curriculum and instruction, student support services, licensure requirements for faculty, staff and administration, program plans, and evaluation and recordkeeping.

In addition to the onsite visit, parent outreach is an important part of the review process. The review chairperson from the Office of Language Acquisition will send a survey to the parents of students whose records the review team examines. The survey focuses on key areas of their child's English learner education program. Survey results will contribute to the monitoring report.

Parents and other individuals may call the Office of Language Acquisition Review Chairperson, at (781) 338-3548 to request a telephone interview. If an individual requires an accommodation, such as translation, to participate in an interview, DESE will make the necessary arrangements.

Within approximately 60 business days of the onsite visit, the review chairperson will provide the school with a report with information about areas in which the school meets or exceeds regulatory requirements and areas in which the school requires assistance to correct or improve practices. The report will be available to the public at <https://www.doe.mass.edu/ele/cpr/>.
